KEY

GREEN - LOW OR NO IMPACT ZONE

A = AWESOME! WELL DONE - NOW TEACH YOUR NEIGHBOURS TO DO THE SAME.

YELLOW - MODERATE IMPACT ZONE

THESE AREAS WERE NOT MICRO MOOPED AT ALL. GET CLOSER TO THE EARTH AND NOTICE ALL THOSE CABLE TIES, CIGARETTE BUTTS AND FOOD BITS. MAKE A MOOP LINE AND DO A LINE SWEEP BEFORE YOU LEAVE.

RED - HIGH IMPACT ZONE

MACRO MOOP (UNCLEANED FIRES, PALETTES, BAGS OF TRASH ETC) WERE FOUND IN THESE AREAS. SOMEONE LEAVING THIS MUCH BEHIND NEEDS SOME EDUCATION. LEAVING MOOP OF ANY KIND IS NOT VERY BURNER, AS WE RESPECT OURSELVES AND OUR ENVIRONMENT. HAVE YOUR TRASH PLAN IN PLACE, BE RADICALLY SELF RELIANT AND TAKE ALL YOUR MOOP BACK! RED ALSO APPLIES TO OIL SPILLS, OPEN FIRES AND BOS KAKS.

- UNCLEANED FIRES OR FIRE DUMPS
- MACRO-MOOP
- RAKED EARTH
